

GuiD: Empowering Future Tech Professionals

About GuiD

GuiD is an innovative educational platform designed to transform students into industry-ready professionals by their final year of B.Tech. Our comprehensive approach combines structured AI powered learning paths, AI-powered assistance, and practical skill development to ensure students are fully prepared for placement opportunities.

Core Features

1. AI-Powered Roadmap

Our flagship feature provides a structured learning journey through 8 carefully designed stages: - Each stage contains curated courses with interactive content - Integrated ArK-enhancer AI technology within each slide for enhanced learning - Assessment tests at each milestone - Merit badges awarded upon successful completion - Progressive advancement through stages - Complete placement preparation by Stage 8

2. Advanced AI Chatbot

Our RAG-enhanced chatbot specializes in: - Programming and coding assistance - Computer Science fundamentals - Placement preparation guidance - Aptitude test practice - Technical interview preparation - Real-time problem-solving support

3. Industry-Focused Course Library

Comprehensive courses aligned with current industry demands: - Django web development - Flutter mobile development - Additional complementary courses - Practical, hands-on learning approach

4. Coding Practice Platform

Dedicated section for placement preparation: - Previous years' coding questions - Integrated code editor - Automated test cases - Real-time feedback

5. Community Forum

Interactive platform for peer learning: - Question and answer section - Peer-to-peer knowledge sharing - Community discussions - Expert guidance - Collaborative learning environment

6. Professional Resume Builder

Tools to create compelling resumes: - Professional templates - Customization options - Industry-standard formats - Achievement highlighting - Skills presentation

7. Career Opportunity Updates

Personalized notification system: - Internship opportunities - Placement updates - Industry news - Application deadlines - Career events

Our Team

Leadership

Akhil Krishna - Position: Chief Executive Officer (CEO) - Vision: Leading GuiD's mission to transform technical education

Aswin Satheesh - Position: Treasurer - Focus: Financial management and resource allocation

Parthip P.R - Position: Community Head - Role: Building and nurturing the GuiD learning community

Blessen Thomas - Position: Marketing Manager - Responsibility: Platform growth and user engagement

Ajith Gopi - Position: Design Lead - Expertise: User experience

Our Mission

At GuiD, we are committed to: - Ensuring students achieve placement readiness by their final year - Developing industry-relevant technical skills - Creating confident, competent tech professionals - Bridging the gap between academia and industry requirements - Fostering a community of lifelong learners

Founded by students from College of Engineering Chengannur, GuiD represents the future of technical education and career preparation.
